

Fall 2004

Marietta Citizens' Government Academy

The Marietta Citizens' Government Academy is a free nine-week course, which begins October 5, 2004. This course is designed to acquaint residents and business owners with the structure of city government and to provide them with information presented by city staff and tours of city facilities in an interesting and informative manner.

The academy is open to any city resident or business owner over the age of 18. There will be fourteen (14) sessions beginning Tuesday, October 5, 2004. A reception and graduation ceremony will complete the course on Wednesday, December 8, 2004.

Classes will meet in and tour various city facilities. City employees and department heads will give overviews of services provided and answer questions from participants. A schedule outlining the topics to be discussed is provided. The location of each meeting will be determined by the nature of the departments' mission, and will be provided to participants in advance of each session.

Enrollment is limited to the **first 25 students to register.**

Registration deadline is September 24, 2004.
